

Philippians 1

This month we have been looking at Philippians chapter 1 and looking at what lessons we can learn from Paul whilst we are in lockdown!

Activity 1 – Match the emojis with the emotions

Tired

Silly

Happy

Loved

Sad

Joyful

Activity 2 – Make a joy banner

Get out some craft materials and write the word joy and decorate it! Maybe you could give it to someone to bring them some joy.

Activity 3 – Draw or make the lifecycle of a caterpillar into a butterfly! This is a good reminder that God can transform us from the inside out!

Activity 4 – Cross Stained-glass Window

On the next page is a template of a cross, you can use this or make your own and create a stained-glass type decorative cross. You could then put this up in your house or use it as a bookmark.
