

# Opposition

Play a game of categories. Each player should be given a minute to name as many things from a certain category. See how much you can distract each other. Does this affect your scores?

Have you ever had a day where everything just goes wrong? Talk/write about it. How did it make you feel? Did you do anything to try and make the day better?

Our  
God  
will  
fight  
for  
us!

**Nehemiah 4:20**
