

From 27th June we hope to be back in the church building running our Sunday Children's Programmes but they will look a little bit different... Introducing...

Flash & Glow

Flash is our group for 0-4 years. There will be a creche space in the main hall and then Flash will run in our Lighthouse Room. At the moment, Flash is not staffed so parents/carers will need to stay in the room but we do hope in the coming months that we can get a team of people running the group.

Glow is our group for 4-11 years. This group will run in the Primary and Bevan Jones. Registration will be open from 10.15am and there will be games and activities available before the service. At 10.30am we will go into the main church for the first part of the service. Collection will be at 11.30am.

We are looking for more volunteers to join the Glow team!

We will still have an all-age service on the 1st Sunday of every month and we will always spend the first part of the service in the main church so we can worship together.

Can you design a poster to tell everyone all about our Sunday Morning Children's Sessions?
